Copy of Audit and Inspection report of the above cited organization is attached herewith. In view of the serious irregularities and observations mentioned therein, it is required to take immediate necessary action thereon. It is requested that action taken regarding these para, may also be intimated to this Department at the earliest.

(A) It has been observed that proper action is not being taken to settle the outstanding audit paras stated in the previous audit reports, due to which the audit paras are increasing every year at alarming rate. As per rule 17.17 (6) and (7) of Municipal Account Code, 1930, neither audit report has been placed before Municipal Council for its information nor annotated reply thereof has been sent to this office, which is not in consonance with the rules.

(B). It was noticed that a large number of record, the detail of which is mentioned in the para number 14 was not shown to the audit party during current audit. Even the record mentioned in the previous audit reports has also not been shown. Therefore, it is strongly apprehended that serious irregularities will remain concealed due to non-submission of record:
